APA PsycNet®

AN INTUITIVE SEARCH PLATFORM BUILT FOR THE DISCOVERY AND DELIVERY
OF SOCIAL AND BEHAVIORAL SCIENCE CONTENT

APA PsycNet® is the award-winning search platform designed specifically to deliver APA content.

Developed by the American Psychological Association (APA), the leading publisher in the field, this powerful platform is engineered to prepare the next generation of psychologists for a future in the discipline.

- Find the most relevant and reliable results quickly and efficiently.
- Rapidly refine searches by index terms, author, year, age group, population group, and more.
- Create customized database search widgets to help users launch searches directly in APA databases.

“APA PsycNet is a unique product that provides a user-friendly search experience.” —Choice Reviews

AMERICAN PSYCHOLOGICAL ASSOCIATION
