acquire

Supporting Indian higher education with an inventory of over **4.5 million** titles, from **10,500+** global publishers, available in our transformative smart study space.

We are committed to providing libraries with flexibility, choice and control regarding their content, offering a range of licence models to suit the unique needs of your institution.

Including:

- Perpetual access models
- Multiple concurrency options
- 1:1 eTextbook licensing
- Demand-driven acquisition
- Free-to-access OA/OER content

All available via Kortext **Kortext**acquire****
our best-ever content acquisitions platform, featuring:

- Transparent, region-specific information about a book's availability.
- Options for EDI and API integrations to suit your existing workflows.
- Flexibility to integrate with major LMS like Alma, Sierra and OCLC.
- Easy acquisitions with multiple options for populating order baskets.
- Licensing and purchase options to suit how you want to procure content.

Proudly partnering with top global publishers including:
